Guide Training

Your Journey to Becoming a Certified
Nature and Forest Therapy Guide

Follow these 4 steps to become a part of the growing
community of guides worldwide!

Step 1

Find a cohort that suites your time zone and
schedule needs. Look [HERE](#) for our list of cohorts.

Step 2

Review our [payment policies](#) and then enroll in the
course of your choice.

Step 3

Once you have completed all modules and assignments
up to and including module 4, you may apply for an
[immersion](#).

Step 4

Once your 6-month course (including WFA) and
immersion are completed, you will receive your final
certificate. This does not expire or require ongoing
membership.
